#### Patient Rights – You have a right to:

You may exercise the following rights without being subjected to discrimination or reprisal.

- Considerate, respectful, and safe care that is free from abuse or harassment.
- A discussion of your illness, what we can do about it, and the likely outcome of care.
- Know the names and roles of the people caring for you here.
- Receive respectful and effective pain management.
- Receive as much information to consent to or refuse a course of treatment or invasive procedure and to actively participate in decisions regarding your medical care. If desired, procedure consent forms may be reviewed prior to your appointment at [www.gaggi.com](http://www.gaggi.com).
- Involve your health care proxy or significant others in the decision-making process for medical decisions.
- Reasonable continuity of care and to know in advance the time and location of an appointment as well as the doctor you are seeing.
- Full consideration of personal privacy throughout your encounter at our facility and maintaining confidentiality of your medical information. Your written permission will be obtained prior to releasing any medical information. When we do release your information to others, we ask them to keep them confidential.
- Review your medical record and ask questions unless restricted by law.
- Know of any relationships with other parties that may influence your care.
- Know about rules that affect your care and about charges and payment methods. You have a right to receive and examine an explanation of your bill regardless of the source of payment.
- Change doctors within our practice or to an external doctor not in our practice.
- You have a right to develop a living will or healthcare power of attorney although, since the procedures that we do are not high risk, we will do all that is necessary to stabilize you including CPR if an emergency occurs. EMS will be called and you will be transferred to the hospital.
- Learn more about providers and services offered at GAP by visiting [www.gaggi.com](http://www.gaggi.com).
- To contact the on-call physician after hours by calling the office phone number listed on your discharge instructions, or in the case of an emergency, you should go to the nearest hospital or call 911.
- To provide feedback via a patient satisfaction survey following your appointment.
- Voice your concerns, complaints, grievances, or problems with the care you receive by contacting our nurse manager or practice administrator at (336) 448-2427. If we are unable to satisfactorily address your complaint, you may contact:

#### Patient Responsibilities – You agree to:

- Provide accurate and complete information concerning your symptoms, past history, current health status, complete medication list including dietary supplements, and any allergies or sensitivities.
- Make known whether you clearly comprehend your medical care and what is expected of you in the plan of care.
- Participate in the development of the treatment plan and follow care instructions given to you.
- Keep appointments and notify us if you are unable to do so.
- Accept responsibility for your actions if you refuse planned treatment or do not follow your doctor's orders.
- Accept financial responsibility for care received and pay promptly.
- Follow facility policies and procedures.
- Inform my doctor about any living will, medical healthcare power of attorney, or other directive that may affect my medical care.

- Be considerate of the rights of other patients and staff.
- Be respectful of your personal property and of others in the facility.
- Inform the staff of any discomfort or pain and patient safety issues.
- Share your values, beliefs, and traditions to help the staff provide appropriate care.
- Have an adult (age 18+) who will accompany you to any appointment where you will receive sedation and drive you home afterwards. You may not drive for 8 hours after receiving sedation. Taking a taxi, bus, or other ride service is not an acceptable form of transportation unless you are accompanied by an adult acquaintance who will ensure you arrive home safely.

### Advance Directives – Living Will or Health Care Power of Attorney Resources:

We do not honor living wills or Do Not Resuscitate Orders (DNR) at this facility due to the fact that a terminal, incurable, vegetative state is not anticipated in this outpatient setting. If you present to this center for a procedure with a living will or valid Do Not Resuscitate Order (DNR) or Out of Facility form and you have an emergency, we will start CPR and call 911 for emergency transport to the hospital. EMS will be informed of the Do Not Resuscitate Order or Living Will upon arrival. For applicable state laws and sample forms for creating a living will or healthcare power of attorney, you may contact one of the following:
